

Capacity Building Course

Discover how the Learning for All Capacity-Building Course equips adult-education professionals with practical strategies to foster truly inclusive learning environments

Six Modules

Building Capacity

Reflecting on methods and practices in inclusive practice

Inclusive Pedagogies

Creating learner-centred, engaging teaching approaches

Intercultural Communication

Navigating cultural differences effectively

Community Engagement

Building supportive local networks beyond the classroom

Inclusive Digital Pedagogies

Ensuring digital learning is accessible and equitable

Outreach Strategies

Designing outreach that builds trust with underserved groups

Join Our Discord Channel

Who the Channel Is For

The Learning for All Discord channel welcomes administration staff, educators, community-organisation leaders, education-network members, and socially excluded adult learners - providing a dedicated space to support your journey towards inclusive adult education.

Join our Community

What You Can Do There

- Engage with peers and experts to begin or deepen your inclusive-education journey.
- Access project-developed training materials aimed at transforming culture, policy, and practice.
- Collaborate with professionals across Europe addressing inclusion in adult learning.

Join our Community

Features That Make It Unique

- Interactive video discussions, where you can record and share your responses to spark meaningful exchanges.
- A platform to shape inclusive adult learning by contributing to discussions and applying project insights.
- Easy steps to join: click the invite link, sign up, introduce yourself, and engage
